Sir:

In a telephone conference of June 15, 2005, the Examiner proposed an amendment to claim 1 to incorporate therein the recitation of claim 2 (to recite that the polymer is a fluorine-containing polymer) to thereby place the case in condition for allowance. Claims 3, 6, 7 and 9 would be amended to depend from claim 1.

The undersigned authorized the Examiner's Amendment on June 17, 2005 and confirmed on June 20, 2005.

Respectfully submitted,
